Dear Students and Families,

We miss you and hope you are all healthy and getting the things that you need. We have a few suggestions of websites that you can use to make reading and writing meaningful and fun while you are away from school. Remember that the most important things you can do right now are to read at least 20 minutes each day, listen to stories, discuss the things you are reading and listening to and to get some exercise.

Be kind and take care of each other,

Ms. McClain, Ms. Hogley, Ms. Domingo and Ms. McLaughlin

### Why Can't I Skip My 20 Minutes of Reading Tonight?

By the end of 6<sup>th</sup> grade Student "A" will have read the equivalent of 60 whole school days. Student "B" will have read only 12 school days. Which student would you expect to have a better vocabulary? Which student would you expect to be more successful in school...and in life?
